# CONTENTS

# WHO'S WHO IN CHINA 2018

**The most powerful, influential and gifted men and women throughout China!**

**Who's Who in China 2017** offers comprehensive, accurate, up-to-date and impartial information on thousands of the most prominent and significant figures in China. This superb reference work records the lives and achievements of men and women from every profession and activity.

It is the reference work for anyone interested in China.

Highly recommended, **Who's Who in China** is an outstanding biographical reference work containing comprehensive information on the key figures in China. Due to the strength of their achievements and their influential positions, these prominent individuals have become highly esteemed in public life.

The biographies include data and place of birth, career highlights, awards, academic education and special contributions to the public interest or economic progress which were instrumental in making these individuals well known.

Each honoree provides a role model of excellence whether in government, business, academic, religion, media or public service. These individuals exemplify the wealth of talent and leadership within China, and it is fitting that their accomplishments are being acknowledged in this way.

**The Who's Who** also surveys the country in detail from a historical, political and economic perspective. Comprehensive background information such as details on the functions and activities of government, official awards and other relevant facts from the world of politics and economics further a fuller understanding of this country.

## **Biographical Section**

This section of the **Who's Who** sets out precise biographical details on eminent individuals from every sphere of activity – government, politics, the diplomatic service, the military, administration, science, legal professions, finance, arts, education, music, medicine, literature etc.

**Entries include:** nationality; date and place of birth; education; marital and family details; past career and current position; honours; awards and publications; leisure interests; current address and contact details.

## **Survey of China Section**

In this section you can find details on China in a matter of seconds. It gives you a breakdown of the following subjects – companies and organizations in China, history, constitution, economy and culture, containing information on:

- Head of State
- Government Departments
- Addresses of Embassies and Consulates
- Important Banking / Financial Institutions
- Major Companies
- Universities
- The Media

**Who's Who in China** remains quite indispensable as a superb one-stop database which records the lives and achievements of recognized established Chinese personalities, and those rising to prominence.

Valuable and unique, **Who's Who in China** will prove an invaluable acquisition for researchers, academic, public, and business libraries, and to governments, corporations, the media, organizations and anyone needing up-to-date information on China.

**Book, CD-Rom or PDF Editions. 1,000 Pages. 2 Volumes. US\$295.00 including delivery**

**ISBN: 978-1-925598-30-8**

# CHINA PLASTICS DIRECTORY 2018

The most comprehensive Guide to the  
Plastics Industries of China!

**T**he **China Plastics Directory** is a unique directory that will keep your company in touch with the plastics and rubber industries across the whole of China. **This directory**, which is firmly established as the reference tool for these industries, serves two major purposes.

**Firstly**, it is an essential buyer's guide allowing you to source the major players involved in materials, semi-finished products, machinery and ancillary equipment, processing and those offering consultancy and testing services. This makes identification and location of a product or service, and therefore supplier, as simple and quick as possible.

**Secondly**, you can utilise the information contained in the directory to focus your marketing strategy. The unique way the directory is put together will allow you to target a specific area of the plastics industry. Then, by cross-referencing with the Company Information section, you can access the company information essential to further your enquiry: address, telephone and fax numbers, e-mail and web-site addresses and key company contacts.

**Allowing you to reach the right person, first time.**

**The China Plastics Directory** contains in excess of 2,000 companies, all individually contacted annually for up-to-date information about their business. As a result, **this Directory** is the most up-to-date and comprehensive guide to the Chinese plastics market available.
