

CHINA TELECOMMUNICATIONS DIRECTORY 2020

Access detailed information hundreds of telecommunications companies instantly with the China Telecommunications Directory!

China is the second largest economy in the world and in the near future will be the world's largest telecommunications market. The Chinese domestic telecommunications industry has been a key contributor to the country's staggering economic growth. As one of the world's major producers of telecommunications products, the sector achieved an annual compound growth rate of about 20% for the last decade. Essential for those doing business in China's telecommunications market, this directory covers hundreds of leading telecom companies. Entries provide: company name; address; telephone, fax numbers; email, website, names of senior management and board members, including senior executives; description of business activities; subsidiaries and associates; number of employees and more.

The **China Telecommunications Directory** has been thoroughly researched, to bring you a completely up-to-date guide to China's ever-changing telecommunications industry. If you need to source from, or sell to China, any telecommunication product, or if you're looking to break into this appealing market, **the new China Telecommunications Directory** will provide you with hundreds of fresh business contacts – and help you keep track of old ones – quickly and easily. This one directory covers the entire telecommunication industries sector of China.

Whether you are a product manager, in charge of marketing or simply interested to remain in touch with the latest developments in the Chinese telecommunications industry, this Directory will save you time and effort in finding the up-to-date information you need.
