

# China Aluminum Directory 2022

**The comprehensive annual guide to the aluminium manufacturing & trading companies, including contact details, senior management, output, products, mines and plants!**

**W**herever you sit in the aluminum supply chain, this directory is an essential business tool! Buyers, Suppliers or Customers can easily be found by purchasing the China Aluminum Directory.

Why spend countless business hours searching the internet for new contacts and business partnerships? Find new buyers, suppliers or customers easily, by investing in the China Aluminum Directory.

The China Aluminum Directory has been completely researched. Each company, old and new, has been contacted individually to ensure the information contained in the new edition is accurate and up-to-date. For just US \$250.00, you can have fast, easy access to the most up-to-date and comprehensive industry guide around, saving you hours of time when sourcing a new supplier, buyer or simply trying to re-establish a business relationship.

## **Producers, Traders, Suppliers**

The China Aluminum Directory will save you time and money if you are:

- involved in sourcing aluminum, alumina or bauxite;
- sourcing new suppliers as a trader or consumer in the aluminum business;
- a producer looking for trade outlets to sell to;
- involved in the service sector and looking for potential new clients for your goods and services;
- monitoring your competitors and the aluminum marketplace.

No more searching in vain for the contact information you need, – we've done the hard work for you. The new edition of the China Aluminum Directory comprehensively profiles thousands of companies who specialize in the production or trade of aluminum. Each company has been contacted directly – so you know the information we give is accurate.

## **Contact and Company Information**

This new edition of the China Aluminum Directory lists producers and traders of aluminum and includes:

- full contact details for companies and key personnel in the industry, including phone, fax, email and web address;
- ownership, subsidiaries, associates and branch office details;
- up-to-date expansion plans by company;
- details of activities and materials produced or traded by company;
- an alphabetical index to companies, useful when you need to find updated information on one particular organization;
- a listing of key personnel by business area, helping you to track down that contact who's moved without telling you, or to access specific departments at companies;

## **5 reasons to have your own copy of the China Aluminum Directory:**

- Save time when sourcing new suppliers;
- Quickly find management, sales and production contacts within companies;
- A user-friendly A-Z Buyers' Guide helps you source the right supplier – whether it's a producer or trader, search by the product you need – by country;
- Know your market. China's aluminum producers and traders in one handy volume;
- Excellent value for money - Where else could you source this depth of market intelligence in one handy book?

Wherever you sit in the aluminum supply chain, this directory is an essential business tool! Whether you're a producer, a trader, or a consumer; or if you're involved in plant equipment, shipping or warehousing - this updated directory includes details on all the key contacts in the China aluminum marketplace.
