

China Scrap Metals Directory 2022

The comprehensive annual directory to China's metal scrap companies, including contact details, senior management and products.

This new edition of the **China Scrap Metals Directory** has been thoroughly researched, to bring you a completely up-to-date guide to the region's ever-changing recycling industry, scrap merchants, brokers and processors, works clearance and demolition companies, ship-breakers and dismantlers are being contacted right now!

If you do business at any point of the scrap supply chain, whether it be industrial scrap generation, merchandizing and brokering, equipment and plant supply, steel working, secondary ingot making, smelting and refining, fabrication or shipping or other service industries, or if you are looking to break into a new market segment, the **China Scrap Metals Directory** will provide you with all the information you need to make new contacts - and keep track of old ones.

For just US\$250.00 the **China Scrap Metals Directory** gives you instant access to a wealth of accurate information.

Look at the wealth of information you'll get in the **China Scrap Metals Directory**:

- Full company contact details;
- Web and email addresses;
- Names of key management personnel;
- Locations of offices, branches, yards and processing operations;
- Subsidiary companies;
- Company activities;
- Materials/products handled – including all ferrous and non-ferrous items,
- And there's more...

You can access the exact information you require in a matter of a few seconds, using the detailed indexes:

- **Alphabetical Index** – lists companies alphabetically for to enable a quick location for a specific business contact;
- **Buyers Guide Index** - lists companies by metal and country, giving their page number reference so you can flick straight to their listing in the directory.

6 Great Reasons to order your copy of the China Scrap Metals Directory today:

1. Save time: no need to search the Internet, all the information you need is in one handy guide;
2. Save money: by using a resourceful book that details all your business contacts activities;
3. Stay abreast of your industry – quickly and easily;
4. Source the right supplier/buyer by product by country instantly with the user-friendly A-Z Buyers guide;
5. Discover new business leads and grow your business;
6. Update your contact list from the most reliable source in the industry.

If you do business within any part of the scrap metals trade, then this directory is a must-have for you. Where else will you find such a broad depth of both key contact and production information in one handy reference source?
