

China Stainless Steel Directory 2022

The annual guide to China's Stainless Steel companies, contact details, senior management, products and plants.

Access a wealth of information with the China Stainless Steel Directory! The Directory is user-friendly directory that contains details of the region's producers and traders of stainless steel bars, wire, tube and pipes in one handy reference guide.

The fully cross-referenced 'Buyers Guide' allows searching for a particular product by country. The index allows you can go straight to your contact and company anywhere.

Completely revised, each company has been carefully contacted to ensure you have the most up-to-date information.

Details include:

- Company name and head office address;
- Telephone/fax numbers and email/web addresses;
- Names of senior management and other key personnel;
- Year established, activities and products handled;
- Type of ownership, subsidiaries and associates;
- Stainless steel production plants and works details (furnaces, steelmaking plant, and refining plant, rolling mills, bright bar plant);
- Stainless steel produced or traded.

If you need to source a producer and a trader of a stainless steel product in a specific country, or need a list of potential business partners based on plant capacity, you'll find the China Stainless Steel Directory indispensable.

The China Stainless Steel Directory will help you:

- Pinpoint key executives
- Profile a market
- Build new business prospects
- Generate new customers
- Discover who your competitors are
- Make vital contacts
- Save the time, money and effort of doing your own research
- Identify alternative suppliers and manufacturers
- Source up-to-date company information
- Keep track of key staff movements
- Access a wealth of quality information on companies and key personnel

If you're looking for stainless steel bars, wire, tubes or pipes - simply use the handy buyer's guide to find the most suitable supplier in seconds.

If you're a producer of stainless steel looking for the best route to market for slabs, billets or forging ingots – simply look up a specialist trader in the additional buyer's guide to traders. If you're a provider of products and services to the stainless steel sector – find essential new business leads
